

Chapter 3. Comments and Coordination

3.1. COORDINATION

Early and continuing coordination with the general public and appropriate public agencies is an essential part of the environmental process. It helps planners determine the necessary scope of environmental documentation, the level of analysis required, and to identify potential impacts and mitigation measures and related environmental requirements. Agency consultation and public participation for this project have been accomplished through a variety of formal and informal methods, including: project development team meetings, interagency coordination meetings, and site meetings.

3.2. Agency Coordination

Below is a list of the various government agencies with which Caltrans has consulted and will continue to coordinate an effort to fully resolve and address project related issues and environmental commitments:

- California Department of Fish and Wildlife (CDFW)
- U.S. Fish and Wildlife Service (USFWS)
- Central Valley Regional Water Quality Control Board (CVRWQCB)
- U.S. Army Corps of Engineers (USACE)
- Cal Fire
- Placer County Transportation Planning Agency
- Placer County
- California Highway Patrol
